

HOW TO APPLY FOR POST OFFICE JOBS

{CAREER & NON-CAREER TEMPORARY POSITIONS}

Thank you for your interest in working for the United State Postal Service (USPS). Written applications for employment are no longer being given out at this office. Applicants must now apply on line for posted vacancies by accessing eCareer USPS at our website: www.usps.com/employment and completing an online application.

It is suggested that you visit this site frequently so as not to miss out on employment opportunities.

Listed are a few tips on how to find current vacancies on the website:

- Go to: www.usps.com/employment
- Next screen - Under “Search Select Jobs and Apply Online”, click the link >Search select jobs online>
- Next screen - Under “Job Search” – Select the location and scroll to the bottom of the page and hit the start button.

You will see all the current posting of vacancies for the state you selected. If the city you want is not listed that will indicate there is no vacancies for that location.

We highly recommend that you visit the eCareer section on the [USPS.com/employment](http://www.usps.com/employment) website (<http://www.usps.com/employment>) which provides Frequently Asked Questions (FAQ) to help you with the eCareer application process and other general information.
