Dear Mrs. McCalla-Creary,

Thank you for choosing me as the recipient of this award. I am very grateful for the scholarship and know that it will make a great difference in my financial position, making me better able to meet the expenses of attending school.

I am fifteen years of age, and I am also a very jovial person. I enjoy reading and singing. I am a member of the debating society at Merl Grove, and a member of the sign language club as well. I am thinking of joining the key club. I am trustworthy and friendly, and expect the best of myself at all times. In the future I will become a surgical doctor.

Once again I thank you for your consideration, and the assistance that will help me to reach my goals.

Yours sincerely,

Alexa Brown
