Arts Have The Power to Heal

IMAGINE HOME

What is 'Home' to you?

Join us at the iconic *'Ceremonial Table'* by Bernard Hoyes. We will have a day of service, dine together, fellowship, enjoy music to soothe the soul and create artistic imaginings of what **'home'** means to us.

Gather on **People Street**, 43rd Place (Degnan at Leimert Bl.), **Leimert Park Village**, **Saturday, October 27th** from 11 a.m. to 6 p.m.

Artist Bernard Hoyes will set up a Ceremonial Table on People Street. You are invited to add an item that represents 'home' to you. Items may inspire stories of home and artists will be on hand to help turn stories into paintings, poems or other creative expressions. FREE. Resource Bags and FREE BANQUET (Please RSVP). Let's celebrate our common humanity together.
